Annual Consent Form and Collection Notice

During the school year there are many occasions and events where staff may photograph, film or record students participating in school activities and events. We do this for many reasons including concerts, newsletters and other activities to communicate the ongoing school events throughout the year.

This notice applies to photographs, video or recordings of students that are collected, used and disclosed by the school. We ask that any parents/carers or other members of our school community photographing, filming or recording students at school events e.g. concerts, do so in a respectful and safe manner and that any photos, video or recordings (“images” of students are not publicly posted (eg to a social media account) without the permission of the relevant parent/carer.

If you do not understand any aspect of this notice, or you would like to talk about any concerns you have, please contact our school on 9836 8702 or aginian@hotmail.com.

- **Use or disclosure within the school community**

Unless you tell us otherwise below, images of your child may be used by our school within the school community, as described below.

- for display in school classrooms, on noticeboards, etc
- to support student’s health and wellbeing (e.g. photographs of pencil grip to assist in OT assessments)

- **Use or disclosure in publications/locations that are publicly accessible**

Unless you tell us otherwise below, photographs, video or recordings of students may also be used in publications that are accessible to the public, including:
